

## **Nordic Northwest's Official Oregon Lucia Program** *First Light of Christmas*

### ***What is the Oregon Lucia Court Mission?***

The official Oregon Lucia Program offers opportunities to outstanding young women in our Nordic community through community outreach, networking and scholarships. The Oregon Lucia program spreads joy, warmth and light in the dark days of winter through the practice and honoring of Nordic culture and traditions. The official Oregon Lucia Court is presented by Nordic Northwest and Sponsors.

### ***What is the Oregon Lucia Court and what are the Program Benefits?***

The Oregon Lucia Court is comprised of up to 7 outstanding young women chosen from applicants in Portland and surrounding areas. After their selection in early November, court members attend an orientation and a court selection event. The identity of the Official Oregon Lucia will not be known until the crowning in December. The crowned Lucia, receives a \$2500 educational scholarship; the runner-up receives a \$1500 educational scholarship and the other five court members each receive a \$1000 educational scholarship. Scholarships will be paid only after all expected mandatory events are completed and gowns are returned. Scholarship money will be received by court members once the recipients supply Nordic Northwest with their college student ID number and financial aid office information, including the paperwork the financial aid office requires from NNW to submit the donation. Along with other gifts, the court will receive lifelong friendships and connections within the Nordic community.

### ***What is expected of the court?***

Lucia of Oregon starts in November, when she traditionally brings light to the darkest days of winter. The Lucia court continues throughout the year as ambassadors to Nordic NW appearing and participating in important Nordic events. Being selected in itself is a great honor. It also comes with a large responsibility that can be very rewarding. Beginning the 1st weekend of December, the Oregon Lucia Court will spend every weekend throughout the month visiting Nordic community events and doing community outreach. As youth ambassadors for the Nordic community, the Court's appearance, words and actions should always be appropriate and respectful. Court responsibilities must be prioritized. Court members are expected to attend all mandatory events in December. All other events during the next year require at least a 70% attendance. Court members are generally responsible for their own transportation to and from events and must be on time.
